ROOM AND A VIEW

Those who appreciate world-class craftsmanship will enjoy the view from both the first- and second-row seats of the luxurious Jeep® Grand Cherokee L. The 16-way-adjustable new front seats offer an available massage feature, while passengers in the rear now ride with heating and cooling vents in very close proximity for a more tailored climate.

*All disclaimers and disclosures can be found on the last page.

Grand Cherokee L Summit Reserve with Tupelo Palermo Leather interior

STYLED STEERING The unique, leather-wrapped heated steering wheel on Summit is a study in luxury, featuring intricate contrast stitching and precisely inlaid wood appliqué.

TEXTURIZED TOUCHPOINTS Open-pore wood, knobs and dials crafted with detailed chrome surrounds and buttery soft Nappa leather trim all come together to create a lush variety of textures within the cabin.

A PLACE AT THE TOP The Summit nameplate is proudly announced on the front Nappa leather-trimmed seats. For those who have climbed to the top, this is a journey well worth celebrating.

POWER, HEATED, MEMORY MIRRORS These multifunctioning side mirrors help keep your rear view in clear sight. Memory functions automatically perform readjustments for two different drivers. Available.

FINGER-TOUCH STEERING-WHEEL CONTROLS Keep your eyes on the road while your fingertips can help you access pertinent information and adjustments on your Multi-View Display, HVAC, available Head-Up Display and Uconnect® system. Standard.

REMOTE START SYSTEM Climb into a pleasantly preheated or precooled vehicle — featuring a 91-m (300-ft) range. Available.

AUTOMATIC MULTI-ZONE TEMPERATURE CONTROL Passengers sitting in the four climate-control zones of the front and second rows can enjoy separate air temperature settings. Available.

WIRELESS CHARGING PAD No need for cumbersome cords. When you need to charge your device, simply place it on the pad that is conveniently within reach of the driver and front passenger. Available.

ELECTRONIC GEAR SHIFTER DIAL This ergonomically pleasing dial is easy to grip, smoothly turning and landing on each PRND gear while staying in place until its next turn. Standard.

REMOTE PROXIMITY ENTRY Keep the key fob in your pocket, open the door, get seated with your foot on the brake, press the Start button and simply shift into Drive. Standard.

IMPRESSIVE CARGO VOLUME Grand Cherokee L, with its three rows of seating, offers a wide range of configuration options that are easily deployed. Lower the third row to access 1,328 L (46.9 cu ft) of volume, and increase it to 2,395 L (84.6 cu ft) when the second row is lowered. Grand Cherokee 2 R, offers up to 2004L of luggage space.

Properly secure all cargo.

ACTIVELY ON GUARD SAFETY AND SECURITY

With more standard and available safety and security features than ever before, passengers in all rows benefit from next-generation technology and engineering. Enjoy travelling all roads knowing there are systems in place that are actively working to maintain status quo.

ACTIVE LANE MANAGEMENT SYSTEM¹⁹

Provides a visual and audible warning should the system detect the vehicle is drifting outside of lane boundaries or if the driver's hands are off the wheel. Standard.

NEW NIGHT-VISION CAMERA¹⁹

An infrared eye mounted on the front grille is able to detect pedestrians and animals crossing the vehicle's pathway. The driver is notified in time to take appropriate action. Available.

NEW ACTIVE DRIVING ASSIST SYSTEM¹⁹

Helps you simultaneously keep your vehicle centred in its lane, on straightaways and curved roads alike, and maintain a safe distance from others while cruising at a desired speed on divided highways. Available.

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP AND GO¹⁹

Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring the vehicle to a complete stop, without driver intervention, to help avoid a collision. Standard.

NEW 360° CAMERAS¹⁹ Your vehicle's entire perimeter is monitored and displayed on your dash touchscreen. These cameras provide a top view, rearview and panorama view to assist you when parking, either manually or automatically. An automatic washer keeps the rear camera's lens clean. Available.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW+)¹⁹ Sensors detect when the vehicle may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing active braking assistance if the driver does not react in time. Standard.

PEACE OF MIND DRIVES YOU

BLIND-SPOT MONITORING¹⁹ AND REAR CROSS-PATH DETECTION SYSTEM¹⁹ Monitors the space between you and other drivers, and you're notified when a side or rear blind spot is encroached. Standard.

PARKVIEW[®] REAR BACK-UP CAMERA¹⁹
Brings previously hidden rear objects to your attention, either on screen or with an audible warning, in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

A FIRE WALL BETWEEN YOU AND THE WORLD

NEW TECHNOLOGY AND ENGINEERING USHER YOUR SAFETY AND SECURITY INTO THE FUTURE WITH A LONG LIST OF STANDARD AND AVAILABLE FEATURES. YOUR PEACE OF MIND IS ALWAYS TOP OF MIND.

DROWSY-DRIVER DETECTION¹⁹ Monitors steering wheel movement and provides an audible alert if the system detects the driver is not correctly handling the wheel or the vehicle is off track. Available.

HEAD-UP DISPLAY Drivers can maintain focus on the road ahead with the help of this full-colour, 10-inch transparent windshield display. Driving cluster data is projected onto a safe viewing area on the windshield in front of the driver. Available.

NIGHT-VISION CAMERA¹⁹ An infrared eye mounted on the front grille detects pedestrians and animals crossing the vehicle's pathway. The driver is notified in time to take appropriate action. Available.

STRONG AND LIGHTWEIGHT The exceptionally solid safety cage pairs high-strength steel and aluminum, making Grand Cherokee lightweight while still providing a very strong foundation. Standard.

TRAFFIC SIGN RECOGNITION¹⁹ Detects road signs ahead via a forward-facing camera and provides visual reminders on both your multi-view and Head-Up Displays. Available.

PARALLEL AND PERPENDICULAR PARK ASSIST¹⁹ This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes Park-Sense[®] Front Park Assist¹⁹ sensors. Available.
