TRANSPORTATION SOLUTIONS

TRANSVERSAL ROOF BARS 1672041780

Made of anodized aluminium, the roof bars support a maximum load of 80kg. The roof bars meet precise and rigorous specifications ensuring optimal mounting, even at high speeds. Locked with a key for extra security.

BOSAL TOW BAR ZB14PE01CPA (wiring included)

THULE BICYCLE CARRIERS

FreeRide ZB14PE01CPA

ProRide ZTZAB598002

TRANSPORTATION SOLUTIONS

CARGO BED EXTENSION / DIVIDER

This accessory allows you to extend or divide your load area as you wish. By folding it inside the load area, your cargo will be prevented from moving to the front of the load bin when braking. Turn it around, and you can easily increase the loading space of your cargo bed, so you can load bigger objects.

Cargo Bed Extension
